1 Positions

1.1 Current positions

[2000-] Full professor in Computer Engineering at the University of Calabria.

[2020-] Vice-President of the Executive Committee of the National Group in Computer Engineering (GII).

[2020-] Coordinator of the Computer Science Laurea Degree in Computer Engineering at University of Calabria.

[2000-] Full professor in Computer Engineering at the University of Calabria.

[2012-18] Member of the Academic Senate of University of Calabria.

[2018-] Member of the Executive Committee of the National Group in Computer Engineering (GII).

1.2 Previous positions

[2012-2018] Chair of the Department of Computer, Modeling, Electronics and System Engineering, University of Calabria.

[2002-2012] Chair of the Department of Electronics, Computer and System Engineering, University of Calabria.

[2012-18] Member of the Academic Senate of University of Calabria.

[2018-2020] Member of the Executive Committee of the National Group in Computer Engineering (GII).

[2012-2015] Director of the PhD school in *Information and Communication Technologies*.

[1998-2000] Associate Professor in Computer Engineering at the University of Calabria.

[1989-1998] Assistant Professor in Computer Engineering at the University of Calabria.

[1986-1989] Researcher at CRAI (Consorzio per la Ricerca e le Applicazioni di Informatica).

[1984-1986] Fellowship at CRAI.

[aug-sep 1998] Visiting scientist at the Computer Science Department of UCLA

[aug-sep 1996] Visiting scientist at the Computer Science Department of UCLA

[aug-sep 1994] Visiting scientist at the Computer Science Department of UCLA;

[aug-sep 1992] Visiting scientist at the Computer Science Department of UCLA

[1990-1991] Visiting scientist at MCC (Microelectronics and Computer Corporation), Texas.

2 Program Committee Chairmanships

- Program co-chair della *European Conference on Logics in Artificial Intelligence (JELIA)*, September 2002, Rende (Italy).
- Program co-chair dell'*International Database Engineering and Applications Symposium (IDEAS)*, September 16-18, 2009, Cetraro (Italy).
- Program co-chair dell'*International Conference on Scalable Uncertainty Management (SUM)*, October 1-3, 2008, Naples (Italy).
- Program chair *Italian Database Conference (SEBD)*, 2003, Cetraro (Italy).
- Program chair *Italian Database Conference (SEBD)*, 2011, Maratea (Italy).
- Program co-chair *Italian Database Conference (SEBD)*, 2014, Sorrento (Italy).
- General co-chair *Italian Database Conference (SEBD)*, 2017, Squillace (Italy).
- Program co-chair dell'*International Conference on Flexible Query Answering (FQAS)*, July 2-5, 2019, Amantea (Italy).
- General co-chair dell'*International Conference on Logic Programming (ICLP)*, September 18-24, 2020, Rende (Italy).

3 Editorial Boards (selected)

- *IEEE Transaction on Data and Knowledge Engineering* 2008 - 2012.

4 Conference committees (selected)

- *International Conference on Data Engineering (ICDE)*, Dallas (TX), April 2019;
- *International Conference on Principles of Knowledge Representation and Reasoning (KR)*, Rhodes (Grece), September 2020;
- *International Joint Conference on Artificial Intelligence (IJCAI)*, Yokohama (Japan), July 2020;

5 Alumni

5.1 Past PhD students

- Sergio Flesca, full professor, University of Calabria;
- Ester Zumpano, associate professor, University of Calabria;
- Filippo Furfaro, associate professor, University of Calabria;
- Andrea Pugliese, associate professor, University of Calabria, abilitated for the position of full professor;
- Andrea Tagarelli, associate professor, University of Calabria, abilitated for the position of full professor;
- Cristian Molinaro, assistant professor, University of Calabria, abilitated for the position of associate professor;
- Francesco Parisi, assistant professor, University of Calabria, abilitated for the position of associate professor;
- Irina Trubitsyna, graduate technician at University of Calabria;
- Francesco Gullo, Research Scientist at UniCredit, R&D Dept.;
- Giovanni Ponti, Research Scientist at ENEA, Napoli;
- Nicola Barbieri, Research Scientist at Yahoo Labs;
- Francesca Spezzano, assistant professor Boise State University, Boice (Idaho);
- Chiara Pulice, postdoc at the University of Dartmouth, College Park;
- Marco Calautti, assistant professor at the University of Trento, (Italy);
- Gianvincenzo Alfano, second year Post-doc at Dimes, University of Calabria;
- Domenico Mandaglio, first year Post-doc at Dimes, University of Calabria.

5.2 Current PhD students

- Lucio La Cava, first year PhD program in Information and Communication Technologies.

6 Spin-off

Co-founders of *Exeura*, *Ithea* and *OKT*, three spin-off companies of the Universit della Calabria (Exeura s.r.l., Ithea s.r.l. and Open Knowledge Technologies s.r.l.) operating in the area of Knowledge Management and Cybersecurity.

7 Grants

- (1983) Three years fellowship financed by FORMEZ (organization of the Italian Ministry for the Civil Service),
- (1990) One year fellowship financed by the National Research Council (CNR),
- (1996) Two months senior fellowship financed by NATO,
- (2000) Two months senior fellowship financed by NATO.

8 Projects

- (2017-2018) *NextShop: Next generation e-commerce platform based on social CRM*. Financed by European Community and Italian Ministry of Economic Development, budget:199.600 euros, principal investigator.
- (2013-2016) *CYBERSECURITY P1 - Final User Protection* (Cyber Security District). Financed by European Community and Italian Ministry of University and Research, budget:1.180.500 euros, principal investigator.
- (2013-2016) *CYBERSECURITY P3 - Safe Dematerialization* (Cyber Security District). Financed by European Community and Italian Ministry of University and Research, budget: 1.180.000 euros, principal investigator.
- (2013-2016) *BA2KNOW: Business Analytics to Know* (Service Innovation District). Financed by European Community and Italian Ministry of University and Research, budget: 310.000 euros, principal investigator.
- (2012-2015) *CARDIOTECH - Advanced technologies for the innovation and optimization of therapeutic research and training processes dedicated to clinical, interventional and rehabilitative management of patients with coronary syndromes*. Financed by European Community and Italian Ministry of University and Research, budget: 279.000 euros, principal investigator.
- (2012-2015) *Staywell: Monitoring of lifestyle in support of well-being and prevention as well as for the improvement of the interaction between citizen and health facilities and between health facilities themselves, with planned experimentation in Calabria*. Financed by European Community and Italian Ministry of University and Research, Budget: 61.912 euros, principal investigator.
- (2010-2014) *Polinice+: an ERP platform oriented to the fashion industry*. Financed by Ministry of Economic Development. Budget: 146.000 euros.
- (2012-2015) *LOG.IN: Integrated Logistics*. Financed by Ministry of Economic Development. Budget: 339.000, principal investigator.
- (2010-2012) *EASE: Entity Aware Search Engines - Querying of probabilistic data extracted from the Web*. Financed by Italian Ministry of University and Research (PRIN Programme). Budget: 30.000, principal investigator
- (2010-2011) *Eureka! An idea for Energy Management* Financed by ENEL (National company for energy management), Budget: 47.000, principal investigator
- (2007-2008) *Open source software for knowledge discoveries*, financed by SOGEI (Societ Generale d'Informatica S.p.A.), budget: 200.000 euros, principal investigator.

- (2006-2009) *Promis - Logistics Process Management and Intelligence Systems*, financed by Italian Ministry of University and Research and European Community, budget: 800.000 euros, principal investigator.
- (2007-2010) *InLoco - Information Systems for Logistics*, financed by EC and Italian Ministry of University and Research and European Community, budget: 200.000 euros, principal-investigator.
- (2006-2008) *KinF - Knowledge in Farm*, financed by Almaviva srl, budget:25,000 euros, principal investigator.
- (2005-2007) *LogiCa - Logistics systems*, financed by the government of Calabria, budget: 1,970,000 euros, principal investigator.
- (2004-2006) *Pilot - Software systems for the interoperability of logistics and transportation*, financed by the Italian Ministry of University and Research, budget: 430,000 euros, principal investigator.
- (2004-2006) *Trame - E-learning methodologies applied to SME*, financed by the Italian Ministry of Labour, budget: 52.000 euros, principal investigator.
- (2003-2004) *Reengineering of bank information systems*, financed by ICAR-CNR (Institute for High Performance Computing of CNR), budget 60.000 euros, principal investigator.
- (2001-2002) *Datawarehousing techniques for bank intelligence*, financed by ICAR-CNR, budget 80.000 euros, principal investigator.
- (2004-2006) *Mente - Management of Integrated ENTERprisE*, financed by the Italian Ministry of University and Research, budget 360.000 euros, principal-instigator.
- (2000-2001) *Contact - Cooperative Network for Technology Transfer Actions and Training*, financed by EC (Adapt programme), budget: 340.000 euros, principal investigator.

9 Teaching

9.1 Teachings at Università della Calabria

- from 2018/19-2020/21: *Data Mining* (6 CFU), laurea degree in Computer Engineering (Ingegneria Informatica);
- from 2015/16-2018/20: *Basi di Dati Evolute e Data Mining* (9 CFU), laurea degree in Computer Engineering (Ingegneria Informatica);
- from 2015/16-2020/21: *Elementi di Matematica Computazionale* (6 CFU), laurea degree “magistrale” in Computer Engineering (Ingegneria Informatica);
- from 2016/17-2020/21: *Tecniche di Programmazione* (9 CFU), Laurea degree in Management Engineering (Ingegneria Gestionale);
- from 2011/12 to 2014/15: *Progetto e Analisi di Algoritmi* (6 CFU), laurea degree “magistrale” in Computer Engineering (Ingegneria Informatica);
- from 2011/12 to 2014/15: *Basi di dati e scoperta della conoscenza* (9 CFU), laurea degree “magistrale” in Computer Engineering (Ingegneria Informatica);
- from 2011/12 to 2015/16: *Fondamenti di Informatica* (6 CFU), Laurea degree in Management Engineering (Ingegneria Gestionale);

- from 2005/06 to 2010/11, laurea degree “specialistica” in Computer Engineering (Ingegneria Informatica):
 - *Basi di Dati e Conoscenza* (6CFU)
 - *Algoritmi per Internet e Crittografia* (6CFU);
- from 1992/93 to 2004/05: *Fondamenti di Informatica I*, degree course in Computer Engineering;
- from 1994/95 to 2004/05: *Basi di Dati*, degree course in Computer Engineering;
- from 1998/99 to 2004/05: *Fondamenti di Informatica I*, degree course in Management Engineering; item from 2000/01 to 2004/05, degree course in Social Services Science: faculty of Political Sciences:
 - *Fondamenti di Informatica 1* (Rende),
 - *Fondamenti di Informatica 1* (Crotone),
 - *Fondamenti di Informatica 2* (Crotone);
- from 1994/95 to 1997/98: *Basi di Dati*, diploma course in computer and automatic engineering;
- 1993-94: *Sistemi Operativi*, diploma course in computer and automatic engineering;
- 1992/93: *Linguaggi e Metodi di Programmazione*, Diploma school in Computer Science;

9.2 Teachings in other universities

- from 2012/13 *Analisi Matematica I*, Ccourse degree in omputer and Biomedical Engineering, (Ingegneria Informatica e Biomedica) Università di Catanzaro.
- from 2012/13 to 2015/16 *Sistemi di Elaborazione delle Informazioni*, course degree in Computer and Biomedical Engineering, (Ingegneria Informatica e Biomedica) Università di Catanzaro.
- from 2012/13 to 2014-15 and from 2016/17 to 20117/18 *Elementi di Informatica*, course degree in Business Economics (Economia Aziendale), Università di Catanzaro.
- from 2016/17 to 20117/18, *Abilità Informatiche di Informatica*, course degree in Sociology (Sociologia), Università di Catanzaro.
- from 2009/10 to 2011/12, di *Basi di Dati*, course degree in Computer and Biomedical Engineering, (Ingegneria Informatica e Biomedica) Università di Catanzaro.
- 2013, *Managing ena Querying Inconsistent Databases, Escuela de Invierno, Universidad de la Ciencias Informaticas (UCI)*, Avana (Cuba).
- from 1996/97 to 1999/2000, *Sistemi di Elaborazione*, course degree in Electronic Engineering (Ingegneria Elettronica), Università di Reggio Calabria.
