Personal Data

First name Filippo
Last name Furfaro
Date of birth June, 22nd, 1976
Place of birth Reggio Calabria (RC), Italy
Citizenship Italian

1 Position

Since 2011, he has been associate professor in computer science at University of Calabria. From 2002 to 2011, he was assistant professor in computer science at University of Calabria.

From 2017, he has been deputy coordinator of the Board of the BaSC and MaSC courses in Computer Engineering of University of Calabria.

2 Education

- Ph.D. in Computer Science and Systems Engineering at University of Calabria - Italy, 2002. Title of the thesis: *Languages and techniques for querying semistructured data and multidimensional data*, advisors Prof. Sergio Greco, Prof. Domenico Saccà.
- *Laurea* degree *cum laude* (B.Sc. and M.Sc.) in Computer Science Engineering at University of Calabria - Italy, February, 2000. Title of the dissertation: *Languages and techniques for querying semistructured data and multidimensional data*, advisor Prof. Domenico Saccà.

3 Research interests

His research interests are in the following fields.

Argumentation:

- Uncertainty in Abstract Argumentation (Probabilistic and Incomplete Abstract Argumentation Frameworks)
- Bipolarity in Abstract Argumentation
- Trust of agents in Abstract Argumentation

Process Mining:

- Analysis of logs with low-level events
- Security-oriented log analysis

Management of tracking data:

- Compression and warehousing of tracking data
- Extraction of trajectories from tracking data

Databases:

- Uncertainty in Databases (probabilistic databases)
- Inconsistency management (consistent query answers under different forms of inconsistency)
- Semistructured data (Minimization of queries, Relaxation of queries)
- Histograms (construction techniques and query estimation techniques)
- Deductive databases and logic programming

4 Research projects

- He was chief of the DIMES research unit in the project *SMART - Social Media AnalyzeR Toolkit*, funded by Regione Calabria (Years of the project: 2019-2020; Funds: POR Calabria 2014-2020. ASSE I - PROMOZIONE DELLA RICERCA E DELL'INNOVAZIONE. Obiettivo specifico 1.2 "Rafforzamento del sistema innovativo regionale e nazionale" Azione 1.2.2 "Supporto alla realizzazione di progetti complessi di attività di ricerca e sviluppo su poche aree tematiche di rilievo e all'applicazione di soluzioni tecnologiche funzionali alla realizzazione delle strategie di S3" - CUP: J28C17000150006)

- He was chief of the DIMES research unit in the project *E.E.M.C.B. - European Energy Market Crystal Ball* (Years of the project: 2019-2020; Funds: POR Calabria 2014-2020. ASSE I - PROMOZIONE DELLA RICERCA E DELL'INNOVAZIONE. Obiettivo specifico 1.2 "Rafforzamento del sistema innovativo regionale e nazionale" Azione 1.2.2 "Supporto alla realizzazione di progetti complessi di attività di ricerca e sviluppo su poche aree tematiche di rilievo e all'applicazione di soluzioni tecnologiche funzionali alla realizzazione delle strategie di S3")
- He was chief of the DIMES research unit in the project *D-All: sfruttare la potenza dei big data per effettuare analisi predittiva in applicazioni innovative di cross-market* (Years of the project: 2018-2020; Funds: Italian PON - Finanziamento a valere sull'Asse 1 - "Azione 1.1.3 PON Imprese e competitività 2014 - 2020 FESR" - CUP: B48I17000820008)

5 Teaching

He gave (or he is giving) the following classes at University of Calabria.

- *Computer science fundamentals*, for B.Sc. degree students in Engineering;
- *Databases*, for B.Sc. degree students in Computer science engineering;
- *Algorithms and data structures*, for B.Sc. degree students in Computer science engineering;
- *Theory of formal languages*, for M.Sc. degree students in Computer science engineering;
- *Databases and knowledge bases*, for M.Sc. degree students in Computer science engineering;
- *Business Intelligence*, for M.Sc. degree students in Computer science engineering.

6 Research works

Articles in International Research Journals
